

IRKS Contest scores, June 13, 2009

Following are the scores for the soaring contest on Saturday, June 13, 2009 at the IRKS 524 field in Cocoa, Florida.

As CD and scorekeeper for this contest, I must offer my deepest apologies for several errors that crept into my scorekeeping which, upon careful review, resulted in several place changes from those announced at the meet's end. These errors were mine alone and my only excuse is that I foolishly rushed through the final tabulation in an attempt to end the long day and get all of us on our way home and I carelessly made several errors in transferring timers' scores to the calculation sheet. Please forgive me. It will not happen next time!
